

Kirkella tour competition terms and conditions

To be entered into the draw, you must be a buying customer and must have bought stock from us within the past two months, with the 17th of March being the latest valid date. To become eligible for the draw, you can order at least two boxes of our Frozen at Sea cod or haddock before the competition ends on May 31st and follow the relevant Facebook steps set out in the competition post.

You must follow the relevant Facebook steps to be included in the competition - you have to have “liked” the Collins page if you have not already, like and share the competition post, and tag someone in the comments of the post.

This competition is valid on Facebook only and shares only count on this platform, i.e. if the post is shared on Instagram and not Facebook this will not be counted as a share.

A North East winner and Yorkshire winner will be chosen at random by Collins.

Transport will be arranged by the staff at Collins Seafoods and the winners will be picked up and dropped off in the company car.

The dates will be flexible for the winner – the Kirkella is due to land in September or October and the exact date of this will be confirmed closer to the time, with the vessel usually staying in the port for around two weeks.

Lunch will be provided on the vessel and Collins will request dietary requirements beforehand.
